The Oregon Water/Wastewater Agency Response Network (ORWARN) is seeking exhibitors and sponsors to promote their products and services during its 2018 Annual Conference.

Presentations and exhibits by federal, state and local experts will share how utilities can manage everyday hazards and emergencies, such as supply interruptions, security breaches and main breaks to quickly return to acceptable levels of service.

is a full-service destination resort located in the Columbia River Gorge National Scenic Area just 45 minutes from Portland. Nestled among 175 wooded acres with sweeping river views, the resort offers a distinctly Pacific Northwest experience, featuring a three-story stone fireplace, two locally-inspired restaurants, an outdoor zipline and aerial park, the Skamania Lodge Golf Course, and a full-service spa.
