

# ICS -400 Advanced ICS for Complex Incidents

February 25 and 26 | 8:00 am to 5:00 pm | Portland Bureau of  
Emergency Management

## Course Goal

This course provides training on and resources for personnel who require advanced application of the Incident Command System (ICS). This course expands upon information covered in the ICS 100 through ICS 300 courses, which are prerequisites for ICS 400.

## Target Audience

This training is for senior personnel assigned to staff or support EOC functions. The audience may include personnel from various agencies and disciplines, such as Fire and Rescue, EMS, law enforcement, emergency management, regional/city/county/tribal emergency operations, public safety and security roles, public health, and other EOC staff functions.

## Course Description

This course provides training for personnel who require advanced application of the Incident Command System (ICS).

ICS 400 is intended for an audience of experienced responders and other senior emergency management personnel. The purpose of this course is to expose students to the concepts of utilizing area command in major and complex incidents.

ICS-400 expands upon information covered in IS 100, IS 200, ICS 300, IS 700, & IS 800 courses, prerequisites for the ICS 400 course.

## Prerequisites

The following courses are required: (most current 0300 and 0400 must be 2019 or later):

- IS 100.c: Introduction to the Incident Command System
- IS 200.c: Basic Incident Command System for Initial Response
- ICS-300 ICS for Expanding Incidents (2019 or later)
- IS 700.b: An Introduction to the National Incident Management System (NIMS)
- IS 800.d: National Response Framework, An Introduction

## Location

City of Portland Emergency Coordination Center  
(ECC)

9911 SE Bush St  
Portland, OR 97266

Directions and Parking on next page

# Registration and Support

Registration and prerequisite document uploads are required. Please register using the JotForm link provided here: [Register HERE for ICS - 400 at PBEM](#)

Registration confirmations will be sent to [jason.hetherington@portofportland.com](mailto:jason.hetherington@portofportland.com).

## Lunch and Parking

- Time will be provided for a daily lunch
- Kitchen on second floor
- Coffee, tea, water, and refrigerator available
- Eat in dining room or on patio

## Please adhere to PBEM's ECC guidance

Uncovered drinks and food are not allowed inside the main ECC room; they are allowed in the conference rooms. We have water bottles and covered coffee mugs for you to borrow while here. Water and bathrooms are on the main floor. There is a kitchen on the second floor so you can store a lunch in the refrigerator and eat in the dining room.

- Entrance to the ECC's public parking lot is on SE Bush St. between SE 99th and 100th Aves.
- Park in the ECC's ungated lot and press the button at the pedestrian gate (gate 8) to be buzzed in by security.
- Extra parking is at Ed Benedict Park at 104<sup>th</sup> and at the Trimet Powell MAX station. Please do not park on the residential side streets.
- Public transit is encouraged. We are near the 9 – Powell bus stop and the Trimet Powell MAX station.
